Response After Final Rejection Under 37 C.F.R. § 1.116

Sir:

Pursuant to 37 C.F.R. § 1.116 and in response to the Office Action in which the Examiner finally rejected claims 1 - 15 and which was mailed on June 23, 2004, the following amendments and remarks are submitted for your consideration. These amendments and remarks are offered in order to more particularly point out the invention and/or reduce the issues for appeal. Because the amendment incorporates limitations from a pending dependent claim, no new issue is raised.

Amendments to the Claims are reflected in the listing of claims which begins on page 2 of this paper.

Remarks/Arguments begin on page 3 of this paper.
